I'M POSEIDON....AND THIS IS MY STORY

Exoria

I wanted to teach you foolish humans a lesson and decided to give the water bodies on this planet a memory of its own and the power to stand up for itself, but now water NO ... Rhea ... she remembers everything... she knows. Rhea took over half of habitable land leaving behind very little space for you grits.

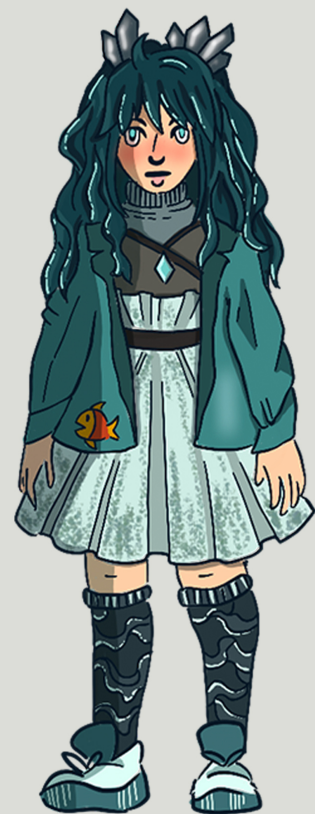

Zues and the others are obviously being whiny about it and want me to “fix this” and get this they kicked me out ME OUT OF OLYMPUS..... can you even picture me slumming it with you guys.

Well I digress, the only way I can make it, you know, make it right is if I work with that cat loving freak Hades to restore the planet to way it was.

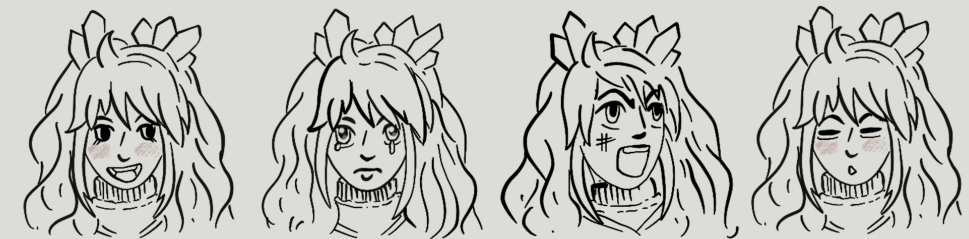

NO I AM NOT SORRY.....

YEEAAHHHHH IT REALLY ISN'T HIS STORY

Exoria

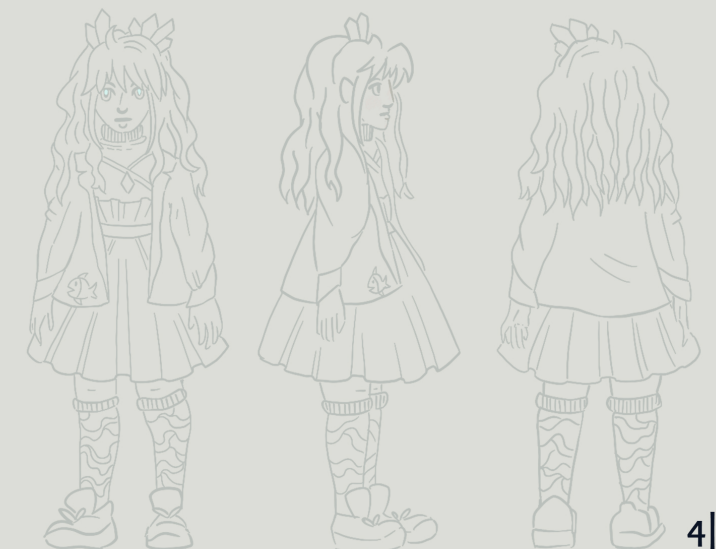

YOU...YOU ALL ARE RESPONSIBLE FOR THIS... NOT ME...YOU

I'm Rhea, I'm supposed to be the human personification of water. I like a fun game of catch and love to have fun but something is not the same anymore... I know things I did not want to know.

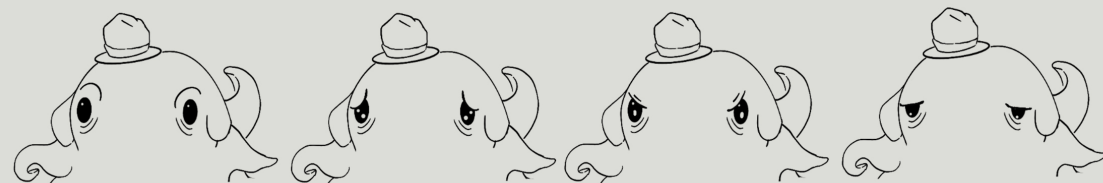

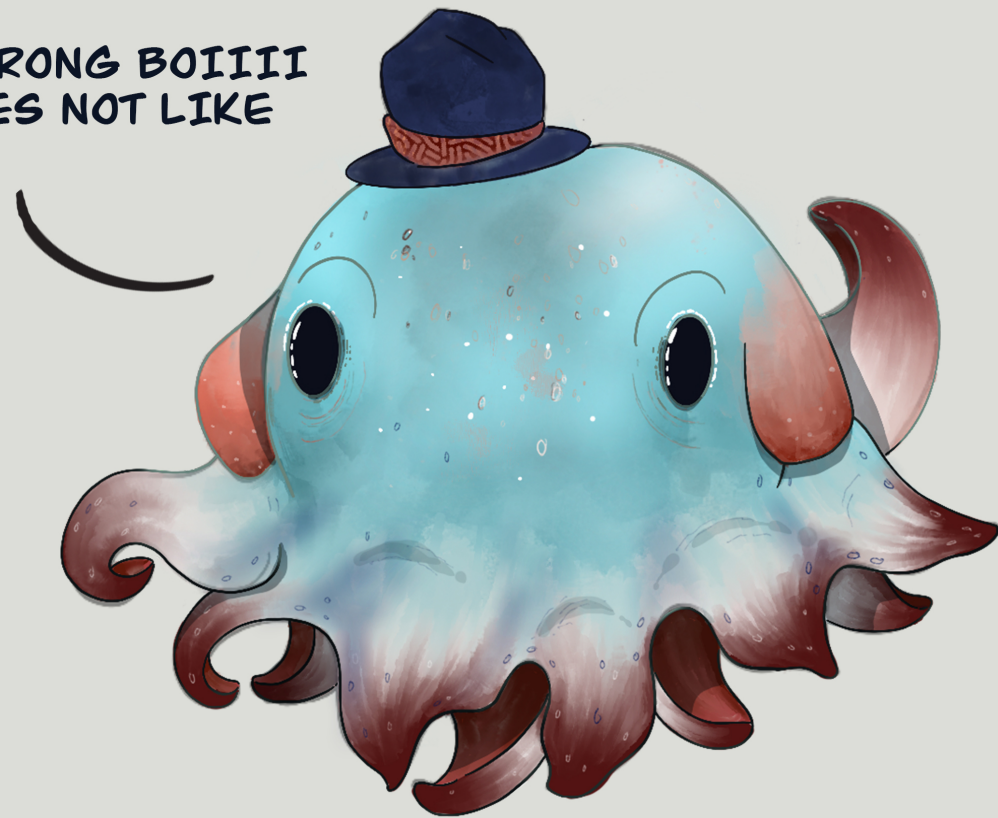

Detritus tells me everything, he tells me the truth about you humans. You all hurt me so much. I loved you all and you filled me with trash... TRASH....DETRITUS TOLD ME EVERYTHING.

Posei is bad too, he hurt me by giving me memory, Detritus is right. Where is Detritus you ask? He'll come out when it is time.

IS THAT EMIKO...I LOVE EMIKO

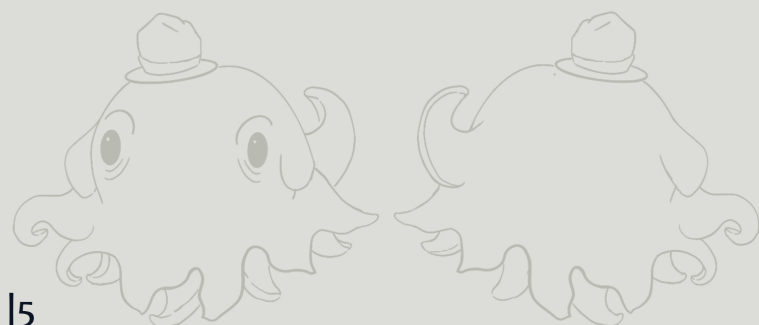

EMIKO IS A STRONG BOIIII
BUT EMIKO DOES NOT LIKE
DETRITUS

Emiko is a dumbo octopus and Emiko is a strong boii. Detritus is bad. He is manipulating Rhea and making her do baaadddd things. Rhea is nice. Posei and Hades need to know that. The only way she can talk to them is if Emiko is there.

Emiko should do something. RHEA IS NICE

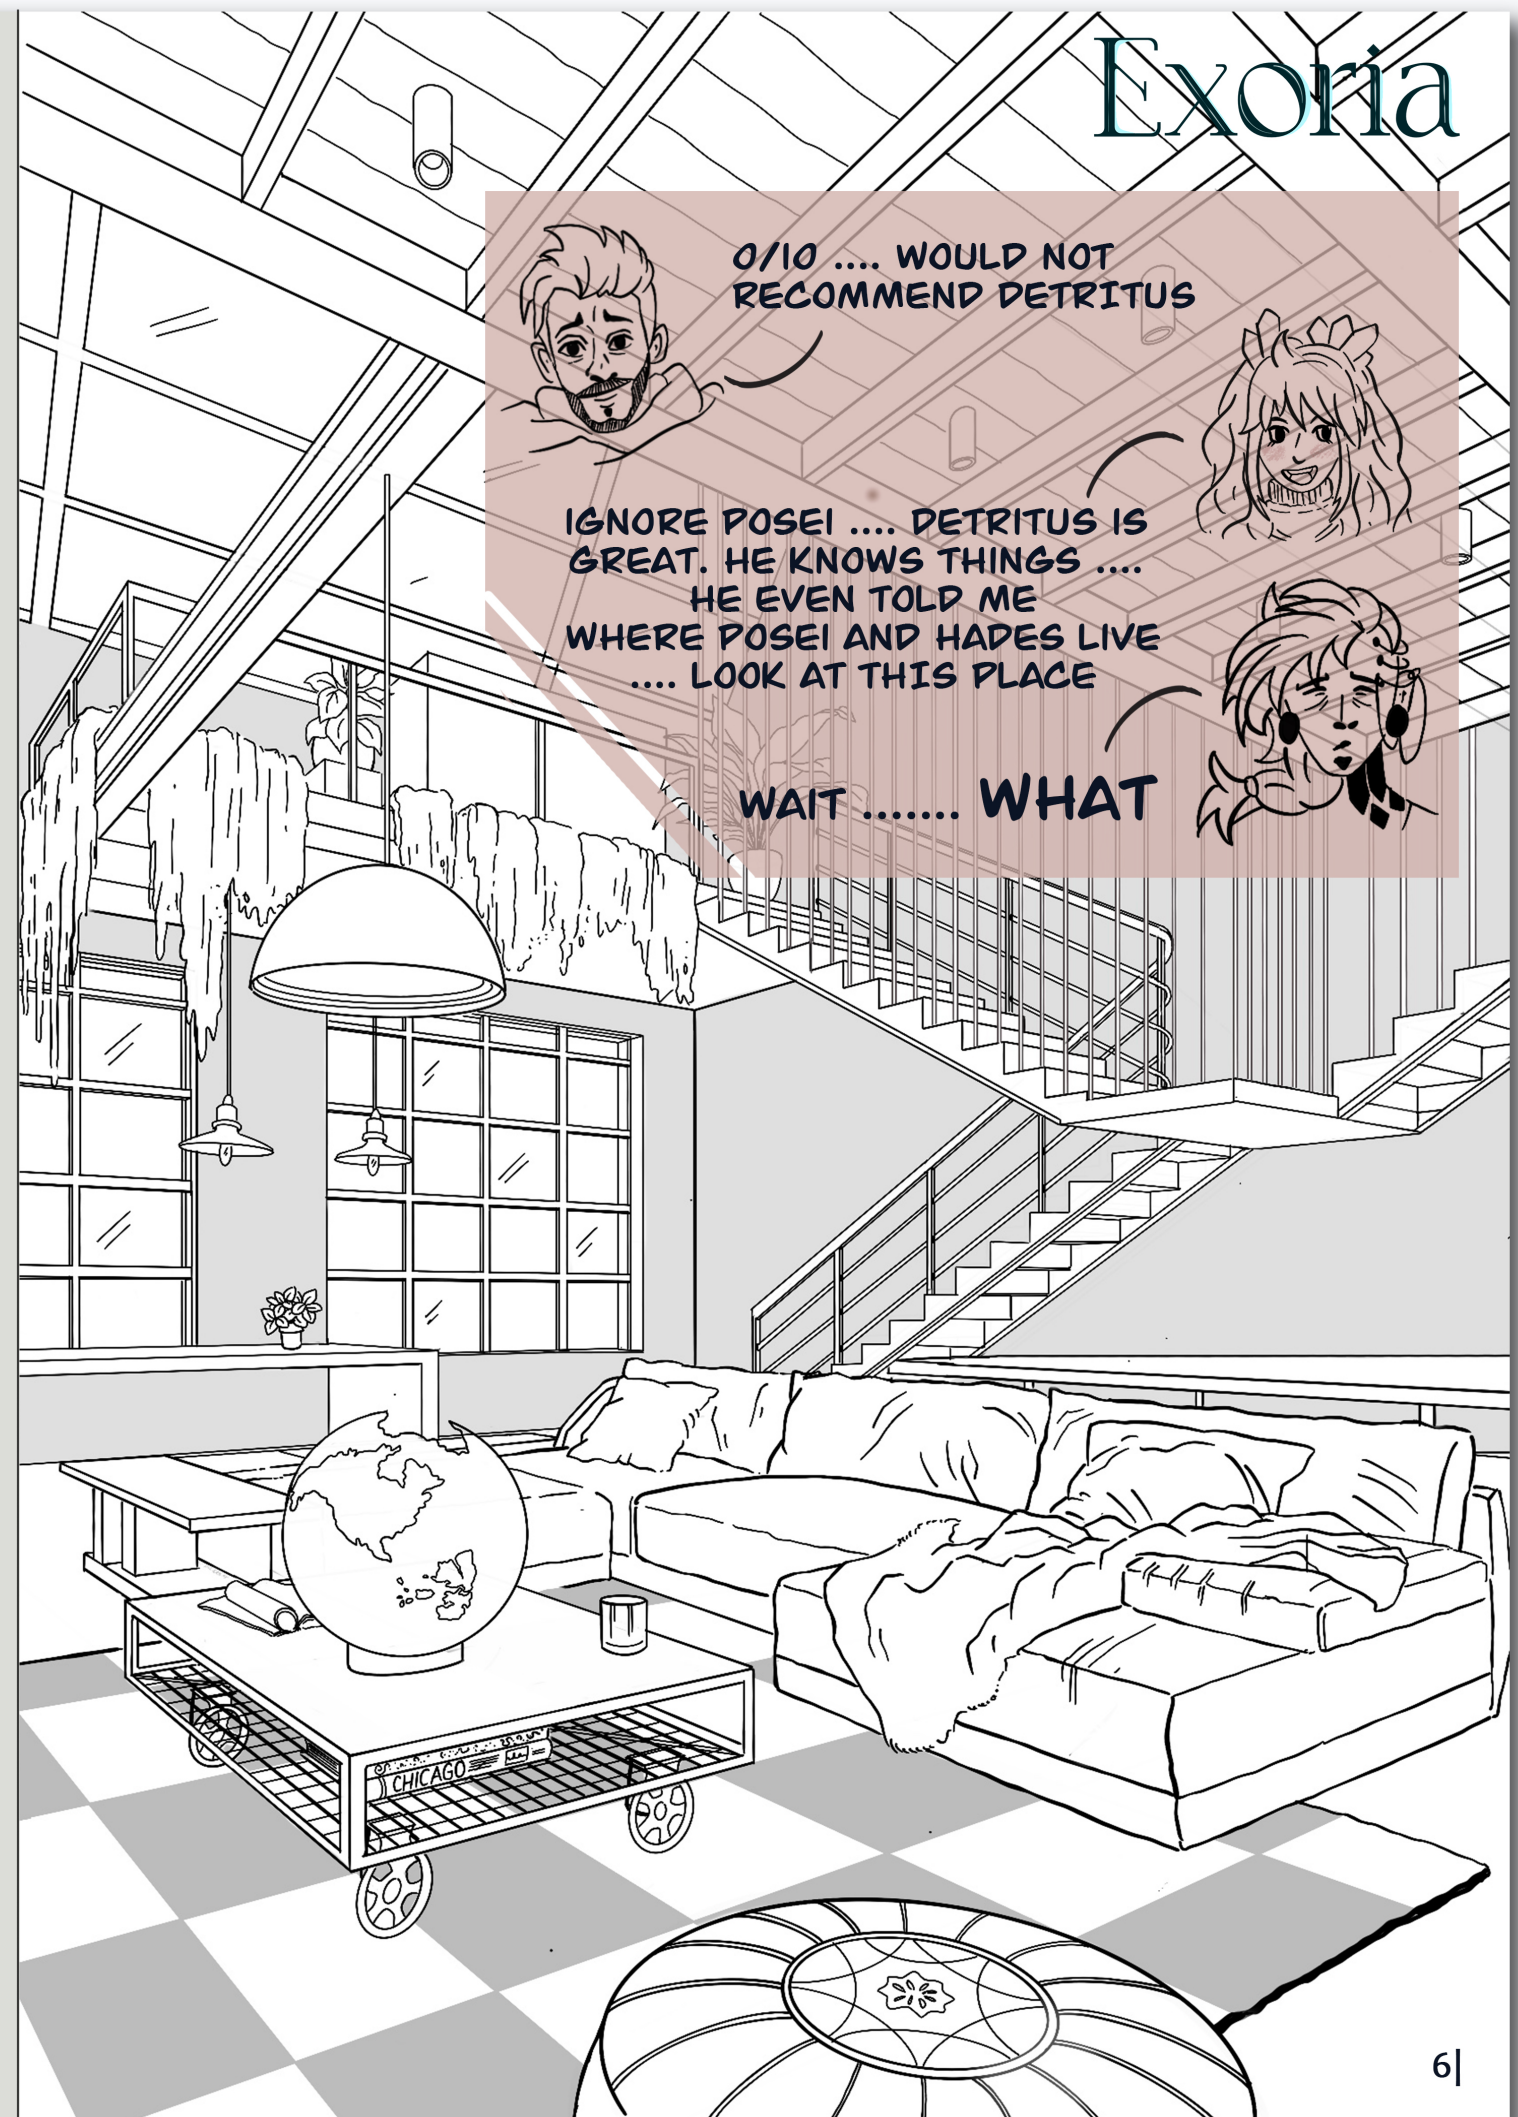

0/10 WOULD NOT
RECOMMEND DETRITUS

IGNORE POSEI DETRITUS IS
GREAT. HE KNOWS THINGS
HE EVEN TOLD ME
WHERE POSEI AND HADES LIVE
.... LOOK AT THIS PLACE

WAIT WHAT

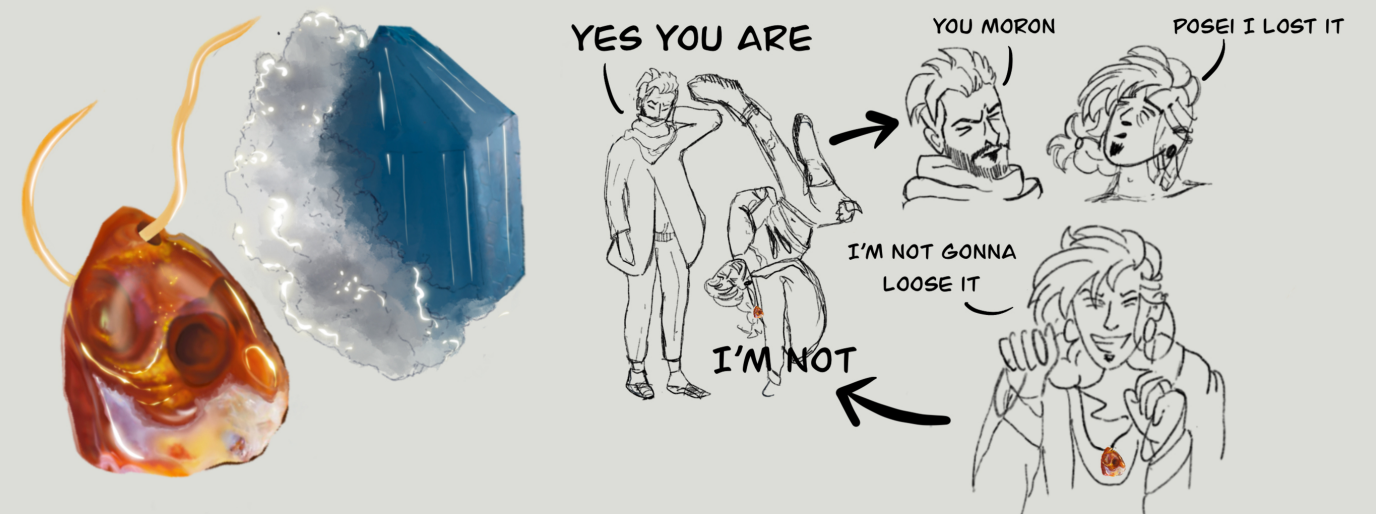

WHILE THEY ARGUE WHO'S STORY THIS IS, LET ME
TELL YOU ABOUT DR. STONE BAABYYY

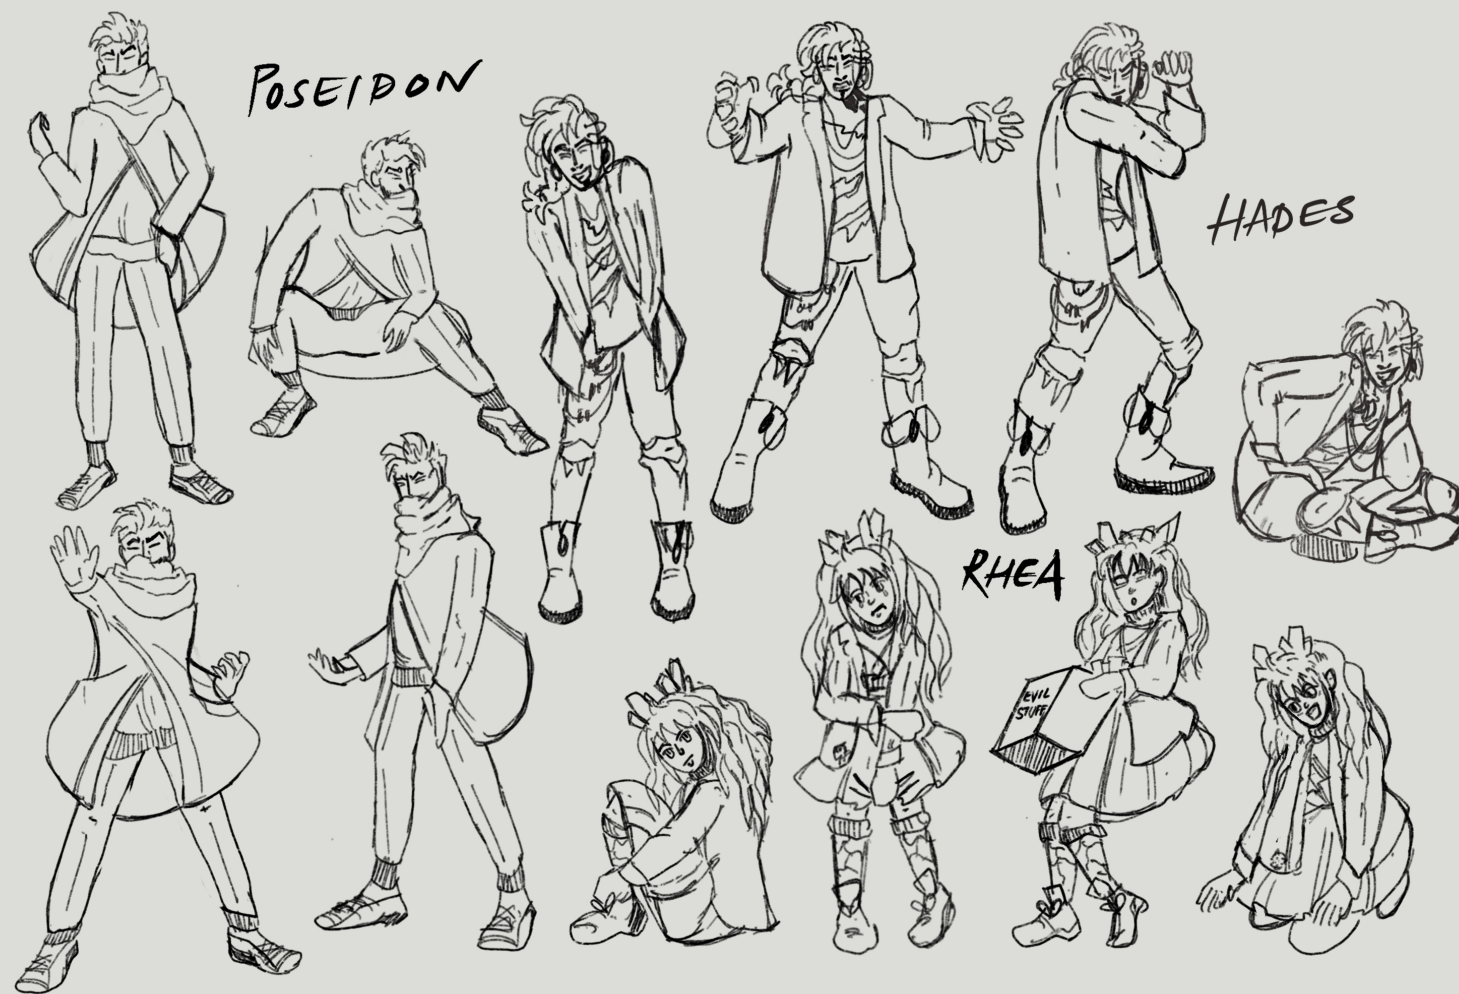

Yo yo yo.... I'm Hades! And well I love cats. There isn't much to say about me other than the usual. Ya' know ruling the underworld and ish ... it's fun ... but lately I have Posei to take care of ... ya'll know him ... Poseidon and ya better believe it has been a task. How is this Godman so so urrghh..... I can't think of the word. But that isn't important. I know Posei is pissed, I was too when the "mighty Gods of Olympus" kicked me out. But it's fine. Ya live and ya learn right.

Anyway, I know we can be a lil not level headed at times. We're trying to make sense of this situation and trying to get out of it but things haven't fared well so far owing to well US.

Sooooo I created two gemstones for each of us to control things and make us act like humans and well sometimes adults. We call it Dr. Stone. This lil dude keeps us in check maahnnnnn..... check it out....
WHERE DID I KEEP HIM NOW!

Here is a tiny idea of the people whose hands the worlds fate lies in-
....yeeaahhhh.....don't loose hope. We ain't that bad

I'M NOT ALWAYS RIGHT, BUT I'M
NEVER WRONG

IN THIS LIFE, IT'S ME AND JAPANESE AMERICAM INDIE
POP SINGER MITSKI AGAINST THE WORLD

WHEN YOU SAY 'NYAN' ... AND I KNOW YOU DO ... DO

AFTER ALL

Hello there! I am Detritus. Who are

scheme of things because well
you know the planet wasn't
meant for vermin like you it was
meant for us higher form.
